Your Community Needs You!

Wondering what to do with all your “spare” time now that you’re retired? That may not be an issue if you live in Sun City West with all of the activities available. But maybe you’re ready to break out of your routine and discover something new, and if so, think about volunteering.

Volunteers are extremely important to the success of Sun City West. It allows residents to keep taxes down by not paying for many of the services that are essential to our community and have always been filled by volunteers.

Anne Brown, Volunteer Match Coordinator for the Sun City West Foundation, will present two free seminars on “Volunteering 101” in January of 2019. Join Anne on Friday January 11th or Friday January 25th at 10:30 a.m. at the SCW Foundation offices located at 14455 RH Johnson Blvd.

Sun City West Foundation, was established as a non-profit community center to support charitable, educational and service activities and organizations that serve our community. Sun City West Foundation is a charitable 501(c)3 organization that relies on generous donations to support its services. The Foundation offers Helping Hands, Banquet and Meeting Rooms and Community service support with free use of the Foundation’s facilities as well as financial grants for transportation.

This free seminar is designed to give you a fun hour of exploring your many talents and the possibilities that exist in our community to connect you and the organizations that can use your help. Whether you have an hour a month or a day a week to spare, Anne will share ways to learn more about yourself and see what’s available to enrich your life.

While the seminar is free, registration is required by calling 623-584-6851. Reserve your seat today.
