Date: June 15, 2021

### **Come and Tour Sun City West Foundation's Helping Hands!**

If you have never taken a Helping Hands tour, you have missed visiting one of the greatest organizations in our community. Visitors are always quite delighted to see what is offered and the fact that over 4,000 items are housed in the warehouse. Come and take a tour and let us show you what Sun City West Foundation's Helping Hands does for the community. Please call at 623-975-5499 to set up a time to come in and see what we do. It's also a good time to think about volunteering in our newly air-conditioned warehouse.

Helping Hand's summers are a little bit slower when snowbirds leave, but we're still here to help give out equipment to our residents. Many people wait until the heat hits to have elective surgery, and of course, Covid-19 put a delay on surgery for many people. Grandchildren will always be part of our lives and come for a visit so if children's items are needed, Helping Hands has a good selection of children's needs.

If you are looking for something to fill your time this summer, consider joining the SCW Foundation's Helping Hands family as a volunteer and see how this wonderful operation has been operating for more than thirty years.

SCW Foundation also offers paid employment opportunities, so if that is of interest, ask for an application to be kept on file.

With our community now getting back to normal and most residents having received vaccinations, we are in full operation. We ask for four hours weekly from our volunteers, their choice of day and we're open from 8:00 a.m. until noon on weekdays. Stop by our facility at 14624 West RH Johnson and let us get to know you.
