Sun City West Foundation partners with Valley View Community Food Bank to open a food pantry in Sun City West

Sun City West Foundation believes no one should suffer from food insecurities. However, we know there are far too many people right here in our community who are underserved. To help residents obtain nourishing food each week, the Foundation has partnered with Valley View Community Food Bank by donating space for a weekly food pantry in its community center found at the corner of RH Johnson and Stardust Blvd. Valley View handles the food pantry operations.

The food pantry is open from 9:00 am until 1:00 pm each Monday, except certain federal holidays. Food donations are also welcome; come by to say hello and drop off your donation while you are in the neighborhood!

If you or someone you know needs more nutritional food in their lives, please reach out to Valley View Community Food bank to learn about the many options available. The food bank phone number is 623-583-FOOD (3663) and the web address is www.feedingaz.org.

The Foundation is also a proud supporter of Northwest Valley Connect, a local organization helping residents with transportation. If you need a ride to the SCW food pantry, or anywhere else in the area, contact Northwest Valley Connect at 623-282-9300 or visit them on the web at www.northwestvalleyconnect.org.

Sun City West Foundation is a non-profit community center supporting charitable, educational, and service activities that serve our community. Banquet and meeting rooms are available to rent for your events, clubs, civic service, commercial and religious organizations. Helping Hands, another Foundation service, helps more than 15,000 people annually loaning medical equipment as well as many types of children's equipment for visits from the grandchildren. Check us out at www.scwfoundation.org.

Sun City West Foundation is looking forward to a long and productive partnership with Valley View Community Food Bank with a special thanks to our residents for their support.
