Invasion of the Little Ones!

It's that time of year when our communities fill up with those precious little grandchildren. Spring break and Easter are very busy times for our communities and also a very busy time for Helping Hands. If your grandchildren are coming, we have a good supply of beds, cribs, pack n' plays, high chairs, booster seats, strollers, etc. available to you FREE of charge for up to thirty days. Even though the service is no charge, donations from generous residents is what enables the doors to open each day.

Helping Hands, a division of Sun City West Foundation, serves Sun City West, Corte Bella, Sun City Grand, Arizona Traditions and Sun Village and the hours are 8:00 a.m. to noon, Monday through Friday. Reservations are not accepted as it's a "first come - first serve" basis only. Accommodating over 15,000 people annually, Helping Hands also loans medical equipment for rehabilitation or temporary assistance for up to ninety days.

Sun City West Foundation, was established as a non-profit community center to support charitable, educational and service activities and organizations that serve our community. Sun City West Foundation is a charitable 501(c)3 organization that relies on generous donations to support its services. The Foundation offers Helping Hands, Banquet and Meeting Rooms and Community service support with free use of the Foundation's facilities as well as financial grants for transportation.
