October is “Double Your Impact” Month at Helping Hands

A very kind and generous Sun City West couple, who wish to remain anonymous, will match donations coming into Helping Hands during the month of October. This would be a great time to show your appreciation for the Helping Hands program and help ensure the program is here for your future needs. Relying on Helping Hands for medical equipment during an illness or surgery is common in our area; and being able to rely on Helping Hands for extra beds and children’s equipment for visitors and grandchildren is also why this non-profit exists in our community.

Helping Hands, a **FREE** service to residents, is a division of Sun City West Foundation and services more than 15,000 residents annually. They are dependent upon the donations made by residents to maintain, replace and update inventory as needed. It’s important to support them today to assure that they are still here tomorrow.

Sun City West Foundation was established as a non-profit community center to support charitable, educational and service activities and organizations that serve our community. Sun City West Foundation is a charitable 501(c)3 organization that relies on generous donations to support its services. The Foundation not only offers Helping Hands, but also offers Banquet and Meeting Rooms and Community service support with free use of the Foundation’s facilities, as well as financial grants for transportation.

Helping Hands serves Sun City West, Sun City Grand, Corte Bella, Arizona Traditions and Sun Village and has over 5,000 items in inventory for your use. They are located at 14624 West RH Johnson Blvd. in Sun City West and are open Monday through Friday from 8:00 a.m. until noon. The phone number is 623-975-5499.
