

**Your resource to find the transportation you need to *get where you want to go and do what you want to do!***

Sun City West Foundation has supported transit for the Sun City West community for over 25 years and continues to find ways to make sure everyone who needs a ride has the resources and information to get one.

Sun City West Foundation has launched a new call center, ***Find Your Ride***, to assist our residents in finding transportation based on the needs of each individual.

Whether you need a temporary solution after a medical procedure, following an accident, or are considering retiring the car keys, we can help you find the right solution for you. The program provides ride resources and assistance through the call center along with monthly information classes. The classes will be presented by Kathryn Chandler, the Find-Your-Ride Mobility Manager, and will focus on equipping our residents to use this new resource.

A complete list of class dates is on the SCW Foundation website.
