### Sun City West Foundation Receives Donation from Desert Garden Club

The Desert Garden Club held it's final plant sale of the season and made a generous \$1,000 donation to SCW Foundation. "We are so pleased to be a regular recipient of the garden club's plant sale donations" said Teresa Brown, the foundation's marketing coordinator. "Without committed clubs like the Desert Garden Club, we couldn't do what we do through SCW Foundation and Helping Hands." Julia Miller, the club president replied "Well, you're why we do what we do! And it makes our work here so worthwhile."

The Sun City West Foundation is a non-profit community center supporting charitable, educational, and service activities that serve our community. Banquet and meeting rooms are available for your events, clubs, civic, service, commercial and religious organizations. Helping Hands serves more than 15,000 people annually loaning medical equipment as well as many types of children's equipment. Check us out at [www.scwfoundation.org](http://www.scwfoundation.org).
