Sun City West Foundation PRESS RELEASE

1/2/2025

Sun City West is proud to host Arizona Fire Medical Authority and the Continuous Chest Only with use of AED class (CCO) in 2025. Sun City West Foundation's mission is to support our community through programs such as this and are looking forward to a great partnership with AFMA.

Participation in this class is important for everyone! This technique can save lives because it can help keep blood flowing to the unconscious person's brain until emergency medical technicians arrive to administer advanced lifesaving techniques.

This is a class that will be held monthly from February through June of 2025. The class will take about two hours and will start at 9 am.

YOU MUST RSVP for this class as space is limited. You can reserve your spot by calling **AFMA's** main office in Sun City West at 623-544-5400 and tell them you'd like to register for the CCO class being held at Sun City West Foundation.

Along with Helping Hands, SCW Foundation provides support to several local service organizations. To learn more about SCW Foundation, to make a donation or to volunteer, visit www.scwfoundation.org (<http://www.scwfoundation.org>)
